## PERSONAL PROJECTS

### Trivia

November 2020

- Designed and built an online trivia game using a **React** and **Firestore** tech stack that stores, creates, and updates secure user data with authentication in **Javascript** styled with React **Bootstrap**.
- Implemented efficient use of an external API to pull question and answer data quickly and securely.

### UltiDB

May 2020 – Present

- Collaborated with other developers to begin creating an accessible and complete Ultimate Frisbee database in order to make statistical analysis and historic fact checking easier for enthusiasts of the sport.
- Integrated a React frontend with **Django REST** framework to create a clean and modern software experience.

## WORK EXPERIENCE

### Secmation, Software Engineering Intern – Raleigh, NC

May 2021 – August 2021

- Designed and refined UI/UX frontends for two projects, then tested and built **Dockerized** React.js web-apps while integrating **JFrog Artifactory** and Django REST APIs.
- Coordinated workload and project planning with a software team using agile and Scrum strategies.

### PT Wired, Physical Therapy Model – Morrisville, NC

June 2019 – Present

- Demonstrated a variety of physical therapy exercises to be recorded and uploaded as guides totaling over 1700 exercises and comprising over a third of PT Wired's video library.
- Developed new procedure for shooting aquatic exercises by utilizing UNC facilities.

## LEADERSHIP AND COMMUNITY INVOLVEMENT

### UNC Ultimate Frisbee, President/Captain – Chapel Hill, NC

August 2018 – Present

- Captain and President of UNC's D-1 Men's College Club Ultimate Team that practices four times a week and attends 10 tournaments a year, including the College National Championships, 1<sup>st</sup> in 2018, 2<sup>nd</sup> in 2019.
- Managed logistics and financials of \$15,000 such as team dues, uniform orders, and travel and lodging.

### Triangle Youth Ultimate, Coach – Chapel Hill, NC

August 2019 – Present

- Coached Triforce (The Triangle's premier Youth Club team with 3 National Championships) 3 times a week for 3 months in the absence of the head coaches while developing and teaching the coaching curriculum.
- Lead practices for a team of 25-30 Chapel Hill High School students twice a week across the season.
